## **Note to all members of staff:**

**The Child Safeguarding Statement and Child Protection Risk Assessment for the above school have been reviewed and displayed outside the office. The review took place in March 2021.**

**Copies of these documents are available in staff policy folders. Child Protection obligations and responsibilities can also be found in staff policy folders. It is vital that ALL staff members are familiar with the above. (Teachers, SNAs, School secretary, Caretaker, Cleaning staff)**
